2006 NLSA ACCREDITED

Rejoice!

We greet you with joy in our hearts as we continue to experience God's blessings upon The Valley!

Wisconsin Valley Lutheran High School has seen some amazing blessings throughout this past year. We continue to look at new ways to enhance our educational programs at The Valley. One of those ways was to add dual-credit courses so that our seniors are able to earn high school credit and college credit through on-line college courses. Next year we are hoping to add up to ten more dual credit courses into our curriculum. In 2013, Wisconsin Valley Lutheran High School will be one of the first Lutheran High Schools to receive AdvancEd/NLSA accreditation. What an amazing God we have! Because of our growth, and the financial challenges that come along with that blessing, we have a great opportunity to support OUR Christian High School and have fun with family and friends. Last year's Bowl-a-thon made over \$20,000 for Wisconsin Valley Lutheran High School and we believe that with everyone's help, we will exceed last year's total.

When I think of our Valley Partners in ministry at WVLHS, I'm reminded of the Macedonian church Paul spoke of in 2 Corinthians 8:1. The Macedonians gave not only as much as they were able, but beyond their ability! Your generosity last year helped us go beyond what many thought we were able! I am rejoicing in where God will be taking us this year through your sacrificial gifts and partnership in this ministry, as we present our requests to God through prayers, petitions, and thanksgiving (Philippians 4:4-7).

Our second annual **RALLY FOR THE VALLEY AT THE ALLEY** will be held on Sunday February 26, 2012. I will be joining bowlers from the Wisconsin Valley area to take over Dale's Weston Lanes in a non-stop 4-hour marathon of bowling till we drop! I am seeking your support once again for me and Wisconsin Valley Lutheran High School.

Please mail back your pledge to stand with me and the students/parents/friends/family of WVLHS as we seek the Lord in all we do at the Valley. You can **make your check payable to WVLHS** and return it and the sponsor slip in the enclosed self-addressed envelope. May God bless you and all of your work in the Lord.

I wish to sponsor _____ for the Rally for the Valley at the Alley Bowl-A-Thon
